

*Advanced Corporate Solutions*

"Debugging" Specialists | [www.acsolutions.co.za](http://www.acsolutions.co.za)

**ACS had the privilege to attend the Milipol Expo which was held in Paris, France in November 2015.**

Access to Milipol is always extremely restricted and limited to qualified security professionals and military or government representatives that have been vetted and approved in advance. The purpose of our visit was to ensure that our expertise in the de-bugging and forensic field is up to date.
